## Membership 2008-2009

Dear Madeira Fan:

As the Athletic Boosters enter their 55th year we would like to take this time to say thank you to all who support our efforts! With that in mind we are working in concert with the Cincinnati Reds Hall of Fame and Museum to include 2009 Season Passes to the Hall of Fame and Museum for our President and Gold Club level members. For all other membership levels we are offering the passes at a discounted price of \$7.50 each. Please see the Athletic Booster Membership coupon below to order yours. If you haven't been down, it is a great museum and the passes are a terrific way to pass the time before a game or during a rain delay!

Another exciting addition this year is our new Student Pass. You can now purchase a special pass for your students that will admit one student to all home contests for just \$60.00. This is perfect for those families who have students who like to attend the sporting events or if you already purchase passes but need to admit additional students!

As always, proceeds from concessions, membership and any other fundraisers or donations find their way into the Athletic Department's budget. The old adage is "Cash is King" and we definitely need your continued financial support. Just as important is the time you could give to the Boosters. We are desperately in need of fresh faces and fresh ideas! Please consider taking one additional step and volunteering to serve on the Athletic Boosters Board. If you are a lover of High School sports we are the right group for you! Thank you for your continued support!

Respectfully,  
James Erion

President
